FAMILY ROOMS

Accommodation **Bed & Breakfast R750 pp/night | Sleeper R220 pp/night**

All the Family rooms have an extra bed (sleeper couch) to sleep, but please note, it is only for children. The cottage is not designed for more than 2 adults. The problem with the sleeper couch is that it is mostly a substandard size bed and there is no privacy, not enough hot water, the toilets are too few, **and the sleeper couch is not comfortable for an adult.**
